## **Dear Players & Family,**

Another season of hockey is coming to an end and summer is right around the corner. It is time to start making those summer hockey plans.

I am very proud to announce plans to give Players in North Denver an opportunity to get quality, fast paced and expert instruction during the summer. Power Play Unlimited will offer this program at the Apex Ice Arena starting June 1 and ending July 28. The purpose of this summer opportunity will be to provide a competitive and fun environment for young athletes to improve their skills. Also, a program is offered for Defenseman and will run from August 1 -4, 2021.

**Hi!** I'm John "Kibby" McKibbon, and I'd like to introduce you to my team and summer intensive hockey programs. I started playing at the age of 6 at Colorado Ice Arena, before playing Pee Wee through Bantam for Littleton. Then played High School Hockey for Mullen. Following High School, I played for the National Champion Colorado Junior 'C' team. After one year of Juniors I moved on to play for the University of Wisconsin-Eau Claire and have been involved with youth hockey for well over 22 years as a coach and skills instructor. My experience has led me to be involved in many different and respectable summer programs. During the last fourteen seasons I've been the Hockey Director for Arvada Hockey Association. I'm greatly looking forward to delivering a solid fun summer experience for the youth players of the Denver Metro Area once again.
