Hi!

I'm John "Kibby" McKibbon, and I'd like to introduce you to my team and summer intensive hockey programs. I started

playing at the age of 6 at Colorado Ice Arena, before playing Pee Wee through Bantam for Littleton. Then played High School Hockey for Mullen. Following High School, I played for the National Champion Colorado Junior 'C' team. After one year of Juniors I moved on to play for the University of Wisconsin-Eau Claire and have been involved with youth hockey for well over 23 years as a coach and skills instructor. My experience has led me to be involved in many different and respectable summer programs. During the last fourteen seasons I've been the Hockey Director for Arvada Hockey Association. I'm greatly looking forward to delivering a solid fun summer experience for the youth players of the Denver Metro Area once again.

Powerplay Staff

***Shawn Reid** - Former Colorado College Player and WCHA Defensive Player of the Year 1993-94.

***Dave Lynch** - Former Dartmouth Defenseman, AAA and High School coach. Has completed his USA Hockey Masters coaching requirements.

Defenseman Program

Challenges players with the following defenseman specific skills:
